- What can we do differently for the burger and brew? Make it for right after a class
- Sept for the next burger and brew, see what the schedule is for the afternoon/evening classes
- Taylor has the money at her house

5. Screening: How to promo the heck out of it?

- Do a ticketed event
- Have the room booked from 5-8
- either have a discussion afterwards or just stick around in case someone wants to stay and talk
